O-CEI 2nd Open Call

Get up to €200,000 to replicate and deploy O-CEI Horizon Cloud-Edge-IoT technologies

O-CEI is a Horizon Europe Innovation Action advancing open, interoperable, and secure Cloud-Edge-IoT solutions through 8 Large-Scale Pilots across real-world sectors. O-CEI Horizon invites technology providers and end users to take these solutions further. Through the 2nd Open Call, selected consortia will replicate the O-CEI methodology, adopt its technologies, and demonstrate how they can be applied in new settings.

Who can apply?

We are looking for **consortia of two entities** combining:

- **A technology or service provider:** an eligible SME, including startups.

- **An end user:** any type of legal entity.
Both partners must be established in an **EU Member State, including eligible Overseas Countries and Territories, or a Horizon Europe Associated Country.**

What will selected projects receive?

- **Up to 8 projects selected**

- **Up to €200,000 per project,** shared between consortium partners

- **An 11-month support programme** covering three stages:
    1. Requirements & Design
    2. Implementation
    3. Demonstration

- The opportunity to replicate O-CEI Horizon's methodology and adopt its Cloud-Edge-IoT technologies

- Support to develop a blueprint and configure a layout at proposal stage for later deployment using O-CEI Horizon platform tools and techniques

Key dates

- **Call opens:** 12 November 2026, at 13:00 Brussels time

- **Application deadline:** 14 January 2027, at 17:00 Brussels time

Ready to bring O-CEI Horizon technologies into a new real-world setting?
